This is a detailed cadastral map of a coastal region, likely in Brittany, France. The map shows a complex network of land parcels, roads, and water bodies. The land is color-coded: green for agricultural land, blue for water bodies like rivers and lakes, and grey for built-up areas. Numerous place names are printed throughout the map, including Riec sur Belon, Moelan sur Mer, Kerlouan, Kerdonan, and many smaller settlements. The map also includes a network of roads and paths, with some areas marked by dashed lines or specific symbols.
